Groundbreaking

About the Project

The project includes building a new diamond interchange along Route 179 in Cole County. The new interchange will be located between Route C and Edgewood Drive and will provide access to a new St. Mary's Health Center development. The project is a joint effort of MoDOT, the City of Jefferson, and Cole County.

Highway Design: HDR, Inc.
Project Award Date: June 8, 2011

Contractor: Emery Sapp and Sons, Inc.
